

OUR STRONG BAND

Our strong band can ne'er be broken,
Formed in Stuyvesant High,
Far surpassing wealth unspoken,
Sealed by friendship's tie.

Chorus

Stuyvesant High School, now and ever,
Deep graven on each heart,
Shall be found unwavering, true,
When we from life shall part.

High school life at best is passing,
Gliding swiftly by,
Then let us pledge in word and deed
Our love for Stuyvesant High.

Chorus—Stuyvesant, etc.

EPHEBIC OATH

We, the graduates of Stuyvesant High School, grateful to our city, state and nation for the opportunity we have had to grow and develop as free citizens in a free society,

Declare our devotion to the traditions and ideals that have brought greatness and expanding freedom to the citizens of our country. We pledge ourselves to support and uphold the Constitutions and laws of our city, state, and nation and to strive constantly for the kind of community in which all men can live and work in peace, freedom, dignity, and security.

Having learned in our schools the meaning of our democratic heritage, the lessons of intelligent compassion, and the varied contributions that our diverse peoples have made to the spiritual, cultural, and material life of the city, we pledge our active support to those institutions and individuals dedicated to providing for every child in our city the best, richest, and fullest education.

We further resolve to do everything within our power to make this city a more beautiful, happier, and more inspiring place for all its citizens.
